

## 2010/2011 Membership Rates & Information

### Membership

The yearly membership fees can either include meeting admission and dinner—**Dinner Club**, or just cover meeting admission— **Annual**, where dinners are paid for separately each time the member attends a meeting. Dinner cost for members are \$25 each meeting and \$35 for guests, except for December and June (often a bit more). Memberships are renewed annually in October, so all fees are prorated starting in November. Meetings are not held in July and August.

### Dinner Club

This option for membership is encouraged because Dinner Club Members are more likely to make the most of their membership by attending regularly, saving \$100 on their yearly meeting costs and inviting different employees to take their place. Corporate members have found this is a great way to reward employees to an evening out, while still building their business.

### Prorated Membership Fees

Purchase Month	Annual	Dinner Club
October	\$125.00	\$325.00
November	\$112.50	\$292.50
December	\$100.00	\$260.00
January	\$87.50	\$227.50
February	\$75.00	\$195.00
